Chairman Bowden and Supervisor Nelson met at the residence of Lou Andromidas. Mr. Andromidas showed the supervisors where he wanted to put plantings on CDD property adjoining his property. He would like the area of coverage to be approximately four feet wide and about twenty-six feet long. He had roped off the area as a visual aid. Mr. Andromidas also demonstrated that his irrigation system had been watering CDD property. Both supervisors went the homes of residents who will be able to see the plantings and spoke with the homeowners. The residents said that they are fine with the addition of the plants in the specified area on CDD property.

On **ACTION ITEM:** Lou Andromidas's daughter, an attorney, will write up the specifics and bring it to the next meeting for consideration.
